Please confirm whether this one works.

If we can't get this to work, I can have everything burned onto a disc or thumb drive and either mailed out to you or you can come and pick it up from our NYC office on Monday.

Thanks.

It still isn't working. Had I known, I would have printed it last night. It was too small to really read on my phone.

It's possible that the link is expiring. Let me know if this works. You should be able to download the documents in the link.

Hi Michael,

The link worked yesterday and I was able to open it and start looking at the documents but today it is not sending the code to open the files. I would imagine it would still work on the weekend.

Please advise.

Thanks,

Christine
